

# Training Class Information

## Puppy Classes

This class includes socialization time at the end of each class. The first class is without dogs where we will cover house training, husbandry issues and other issues that concern you with your new puppies. The focus of this class is to teach you to read dog body language and to provide proper dog/dog socialization. We also teach you how to teach your dog the basics using positive reinforcement training. Behaviors included in class are sit, down, come, leash walking, leave it, drop it and more. The cost is \$200 for six weeks. Included in this class is the ACK Star Puppy certification if you are interested in this, please ask us for more info.

Puppy class is for dogs 10 weeks to 5 months. Puppies must have been in their home for 2 weeks and have at least one set of vaccinations. If your puppy will be turning 5 months while in class that is generally ok. But you will need to talk with Donna before signing up.

## Fundamentals One

This class is for dogs 5 months and over. This is a six weeks class. The first class is without dogs and the cost is \$200. This class is meant for dogs that have not had any training or for dogs that need a refresher on the basics. Included in this class is sit, come, leave it, wait and stay, leash walking, come, jumping up and more. Come train with us and let us help you a special relationship with your dog.

We love children in class. They must be 10 years old and above. Adults are responsible for all leash handling. Please contact us and let us know if you would like to bring your kids. Exceptions can be made on the age with instructor approval.
